

Mr. and Mrs. A. N. Cole are spending the week in Chicago. They made the trip by motor on Wednesday accompanied by Fred Latchaw of Allegan, who has been spending a week with Paw Paw friends.

John Kennedy of Alpena, was a welcome caller at The True Northern office on Monday. We are pleased to note that he is much improved in health and looks more like his former self.

Miss Audrey Cross has completed her year's labors in the Union City schools and is at home for the summer vacation.

PHOTOGRAPHER DOING HIS "BIT" FOR THE RED CROSS.

Photographer Foster made a dozen or more snap shots of our busy Red Cross workers last Saturday. He has made slides from these some of which show the grim realism of war. This Friday evening at the Idle Hour theatre, these slides will be shown on the screen. One half the profits from admissions will be donated to our Red Cross fund. The price of admission will be the same as on other nights, no higher. These local Red Cross scenes will be an incentive to push,

and not knock. You will be repaid by seeing these local scenes.

IDLE HOUR ANNOUNCEMENT.

In order that the management of the Idle Hour Theatre can bring the Greater Photoplays to Paw Paw it is necessary that they keep as close to the many patrons as possible, who they know will appreciate what they are doing. Therefore they announce the showing of Thos. H. Ince's million dollar spectacle, "Civilization." And as this wonderful production has enjoyed over capacity houses wherever shown, they advise their patrons to select the performance they wish to attend, and to those who can attend the matinee to do so, thereby avoiding the big evening crowds. There will be four performances, 2:00, 4:00 7:00 and 9:00 P. M.

VAN BUREN COUNTY SHORT ON BOND SUBSCRIPTION.

While the Liberty Loan bond was oversubscribed in the United States something over a billion dollars, Van Buren county fell something like \$150,000 short of its allotment. The allotment to the various banks of the country was made on a basis of 8 per cent of the resources of the banks, and while five banks in this county were all over their allotment, the small amount subscribed at the other banks brought the sum down below the requisite amount for the county. Following is the amount subscribed at the various banks of the county, and the number of subscribers to the bond loan:

Bank and Location.	Subscribers.	Amount.
Citizens State Bank, South Haven.	165	\$48,000
Savings Bank, Paw Paw.	93	39,850
First State Bank, South Haven.	96	30,000
Citizens State Bank, Decatur.	118	25,500
West State Bank, Decatur.	84	23,850
West Michigan Savings, Bangor.	55	18,000
First National, Paw Paw.	23	15,000
Oney National, Hartford.	25	6,900
Home State, Lawrence.	25	5,900
Juan McKays, Lawton.	19	3,700
First State, Goshville.	22	3,400
Merriman Ex., Hartford.	22	3,000
Peoples State, Bloomington.	3	2,050
Bank Covert, Covert.	40	1,900
Total	790	\$226,650

Business Farewell

HAVING sold my stock of merchandise I take this means of thanking my old customers for the generous patronage accorded me during the years I have been in business. I have formed many pleasant acquaintances and friends and it is not without a feeling of no little regret on my part that these business ties will be broken. However, as I still expect to remain a resident of Paw Paw I shall always be glad to greet you all.

Yours cordially,
W. R. SELICK.
